Subject: Resignation from the Fire Chief's Association of Palm Beach County

Dear Executive Board and Board of Directors,

It is with a heavy heart that I submit my resignation as President of this esteemed association. The challenges I am currently facing in my city, coupled with the uncertainty of my future, have made it nearly impossible for me to continue leading this organization.

During my brief tenure, I am proud to have made a positive impact on the association. Our efforts in creating new sections and fostering collaboration among sub-associations have strengthened our community of Fire Chiefs and Chief Officers.

I have full confidence that the well-qualified and competent Board of Directors will carry this organization forward, paving the way for future fire chiefs. Thank you for entrusting me with the helm of this remarkable association. I hope that my contributions have left it in a better state than when I assumed this role.

Sincerely,

A handwritten signature in blue ink, which appears to read "L. Keith Tomey III".
